WHAT IS THE FINTECH AND DIGITAL DISRUPTION PROGRAMME

This Financial Markets & Instruments (FMI) Programme is delivered at a National Certificate level, a Bankseta Accredited NQF level 6 qualification. The level of instruction has been aligned to the CFA Claritas or CFA Level 1 programme. This has been enhanced with local South African specific content, especially focusing on elements such as the regulatory framework.

Novia One (Incorporating Hedge Fund Academy) is currently a provider of specialist technical programmes to a number of the Banks and other financial institutions and the South African regulators such as the FSB, SARB and National Treasury.

This programme can be attended as a stand-alone programme or as a Learnership.

The qualification is structured as a combination of:
